

MODULAR // SCALABLE

0226
Dyneema®

ULTRA-THIN & LIGHT PROTECTION.

RMA'S 0226 combines ultra-lightweight 10X12 coverage with Level IIIA handgun-rated protection.

At only a quarter inch thin and less than a pound, the ultra-concealable 0226 makes protection with concealment a real option. Multicurve architecture ensures maximum comfort and concealability.
