

MODULAR // SCALABLE

1062
Dyneema®

THE BEST VALUE IN RF1.

RMA'S 1062 Generation 2 combines ultra-lightweight edge-to-edge Dyneema® UHMWPE coverage with NIJ 07 tested Level RF1 rifle-rated protection.

At only an inch thin and 3.1 pounds, the 1062 Generation 2 marks the perfect intersection of price, weight, and protection for NIJ RF1 ballistics testing, including 7.62X51 M80 NATO Steel, 7.62X39 MSC, and 5.56 M193.
